## LIBRARY REPORT

---

This has been a good year for the library. The books loaned numbered 466. The greater number of these were fiction, but there were also a number of volumes of history, biography, poetry, science, natural history and religion. The few magazines that come annually to the library were constantly borrowed, and the librarian also lent freely of his own magazines.

The library funds which have been accumulating since 1924, \$50.00, were paid over by the town to the trustees, and of this sum \$15.00 was spent in purchasing 25 books for the library. These are all fiction including several special books for children.

A gift of 4 books was presented to the library by Mr. Floyd Guilmette of Littleton, N. H., and one was given by Mrs. Annie H. Bowles of Lexington, Mass. These gifts, and the interest shown, are greatly appreciated.

C. P. Bowles, Librarian.
